

# SOCIAL SCIENCES DATA

RESOURCES ACROSS THE UNIVERSITY OF MINNESOTA

UNIVERSITY OF MINNESOTA  
LIBRARIES

Author: Amy West, Data Services Librarian  
Date: September, 2007

## **Note to University students, staff and faculty:**

Additional departmental or research project specific data, labs, software, hardware and consulting services may be available to you. Contact your department/advisor/research director for more information.

## MAJOR SOCIAL SCIENCES DATA SOURCES

Note: Subject/discipline article databases often include articles containing data or indicating the data used to prepare the article.

### Data Services

 Internet Location: <http://www.lib.umn.edu/data/>

Links to data freely available on the web, research at the UMN

Note: <http://www.lib.umn.edu/data/social-sciences/repositories.phtml> contains a list of major social science data archives

### Government Publications > Statistics

 Internet Location: <http://govpubs.lib.umn.edu/stat.phtml>

Links to government data

### ICPSR, the Inter-University Consortium for Political and Social Research

 Internet Location: <http://www.icpsr.umich.edu/>

Established in 1962, ICPSR is the world's largest archive of digital social science data. They acquire, preserve, and distribute original research data and provide training in its analysis. They also offer access to publications based on their data holdings.

### Public Opinion and Polling

 Internet Location: [http://www.lib.umn.edu/libdata/page.phtml?page\\_id=779](http://www.lib.umn.edu/libdata/page.phtml?page_id=779)

## HELP

### Statistical Consulting Clinic

 Internet Location: <http://www.stat.umn.edu/consulting/index.html>

Location: St. Paul Campus, 146 Classroom Office Building, 612-625-3121

The Statistical Consulting Service provides statistical help for researchers affiliated with:

- College of Food, Agricultural and Natural Resource Sciences CFANS and others associated with the Minnesota Agricultural Experiment Station MAES
- College of Veterinary Medicine, CVM
