The Friends of the Andersen Horticultural Library is a group of friendly people dedicated to supporting the world-renowned library that we are proud to have at the Arboretum.

Membership in the Friends is open to any member in good standing of the Minnesota Landscape Arboretum who wishes to support the work and share in the success of our outstanding library.

Benefits include:

- Invitation to quarterly meetings which include presentations on a wide variety of interesting topics by authors, naturalists, artists, horticulturists, professors, researchers, photographers and more!
- Invitation to the annual Members Luncheon and guest speaker, plus occasional Friends-sponsored special events.
- Semi-annual color newsletter with informative articles, library updates and upcoming activities of interest to Friends members.
- Early access to the annual used book sale in the fall, the Friends’ main fundraiser with thousands of volumes covering dozens of genres. (Book re-sellers are not eligible for early access.)
- The satisfaction of associating with and supporting a highly regarded library used by researchers and patrons locally, nationally and internationally.
